

## Outspoken wrap up

The Outspoken Festival of words and storytelling is planning to end this year's series with a spoken word feast featuring Dominic Hoey, aka Tourettes, and Ali Jacs. The duo will take to the stage at Amigos Mexican Grill on February 18. While Ali Jacs was crowned New Zealand Slam Champion in 2012, Tourettes has won numerous MC battles and was just as renowned for his rap albums including *Who Said you Can't Dance to Misery*.
